

MILITARY KIDS LEGACY DAY A TAKE OUR CHILDREN TO WORK PROGRAM APRIL 27, 2018

Every April, Tuesday's Children holds an annual *Take Our Children to Work Day*, in partnership with a diverse group of top organizations. Once again, we are proud to announce a collaboration with **Massachusetts Military Heroes Fund (MMHF)** and **Massachusetts Soldiers Legacy Fund (MSLF)** to bring this program to Massachusetts on **Friday, April 27, 2018**.

Tuesday's Children's Take Our Children to Work Day is a one-day mentoring program modeled after the national campaign designed to provide children with a valuable, educational workplace experience. Tuesday's Children's program is unique, bringing together children and parents bereaved by terrorism (either on 9/11 or through a family member's post 9/11 military service) for a day of learning and reflection. Since its inception, over 1200 children and 114 corporate partners have come together to provide opportunity, creativity and inspiration. Children, ages 8-18, are invited to participate in this special workplace experience.

We are excited to announce that for a third year, Take Our Children to Work Day will be available in Massachusetts through our partner organizations which support bereaved military children. Parents interested in enrolling their children in this valuable opportunity are asked to complete the registration form no later than **Friday, March 23, 2018**. The registration form is enclosed with this flyer and is also available online here:

During a private lunch, children and their families will have the opportunity to socialize together and work on a project memorializing their fallen hero.
