

Celebrate the Season with the Holiday Pops!

Thanks to a generous contribution from the Boston Symphony Orchestra, the Massachusetts Military Heroes Fund has secured a limited group of tickets for the **Holiday Pops concert on Friday, December 7, 2018 at 8pm.**

Due to the anticipated demand, at this time we are able to offer **4 complimentary tickets on a first come, first served basis for each household registered with Massachusetts Military Heroes Fund.**

Depending on the response, we will try to accommodate requests for extra tickets. When ordering, please let us know if you would like additional tickets should they become available.

We are also pleased to offer a **reception** before the concert where you can have a few holiday treats, socialize with other families and pick up your tickets. Details on the reception location will be provided at a later date.

Tickets will be allotted to families on a first come, first served basis. **Ticket requests will be accepted beginning Saturday, November 10, 2018 at 9:00 am.** To request tickets, please contact Kathy King at 617-482-0444 or at kking@massmilitaryheroes.org
